

The Doc Shapiro Shooting School

The Doc Shapiro Shooting School is happy to announce that we're coming to the CA State Championship, Gunfight at Arroya Cantua, on Thursday, April 26! Doc has taught many shooters at all levels, from beginners to World Champions.

We're going to cover a wide range of topics including:

- Diet and exercise
- Equipment and fit
- Ammo
- Shooting each gun and the techniques involved
- Dry fire drills
- Keys to accurate shooting, shooting fast and doing so accurately
- Live fire drills
- Transitions
- Stage/mental preparation
- And anything else in which you may be interested.

Class will start at 9 am and last until 4 or 5pm. Each shooter will need 200 rounds of pistol/rifle ammo, and 2 boxes of shotshells (it's always a good idea to bring some extra). Make sure to bring water, lunch, snacks, and a pen and paper to take notes. I understand that there will be a food truck or other food vendor on site.

The fee is \$125 per shooter, juniors are \$75.

To register, send a check or money order, by April 12, to:
